The accompanying estimates for Rs 54,430 (as finally checked in the D.P.W) for the further extension of the Idga Extension, Mysore City, may be sanctioned. The Chairman's report explains fully the circumstances which have necessitated the further expansion of the extension and the several items of work proposed to be carried out

The estimates have received the approval of the Board and part of the area has also been taken up. There is also a provision of Rs 9,000 in the current year's Budget for this work.

Report to accompany an Estimate for the new Idga Extension to the North of the Mysore City

£££

An extension to the North of the City, under the designation of "Idg Extension", was laid out when plague fi broke out in the City, to provide bu'ld ing sites for those that wanted to buil new houses, and for locating an "Health Camp" On the formation of the Improvement Trust Board, this Extension was ta up first to introduce the Drainage syst and build cheap sanitary houses for the occupation of the poor, Government have sanctioned two estimates amounting to Rs 13,441 & Rs 15,631 in proceedings Nos 5018-9/L F 106-'03 dated 24-6-'04, and 3466-7/L F 106-'03 dated 11-8-'04,f building drains and their subsidiary works, and for Experimental houses res -tively These works are completed. The Extension is mostly taken up, and there remain only a few sites

2. The further expansion of th Extension is necessitated as more bu ing area is found necessary, as differ castes of people were displaced in im ing the NoS, I & II Drainage Areas of City, under projects sanctioned by Gov ment for Rs 99,467, & Rs 5,43,319, respectively. It is therefore proposed to form an extension under the designation "New Idga Extension", covering an area of 69 acres to the North and West of present Idga Extension, as shown in the accompanying tracing plan. The Extens

provides 460 building sites as noted
plan, of various dimensions Of this
31 acres have been acquired under est
es sanctioned for the Idga drainage
and only the remaining area of 38 ac
is now proposed to be acquired

3 The whole area is proposed
be divided into five blocks The firs
block is interded for Jallagars- the
-ers of the Town-, the second for Bes
and Ganigars, the third for other cl
of Hindus, the forth block is reserv
for those that intend building good
-lows, and the fifth again for other
-es of Hindus & Mohamadans Of these
the first block is fully taken up,
most of the houses are completed, and
Jallagars are living in them Portion
No 5 block is also allotted for "Man
and other classes of Pariahs, and the
-ing of roads is started, and the cons
tion of drains will have to be under
as estimated No work on the other bl
has been as yet undertaken except in
-ing out the roads, and in some cases
mitting the formation of roads to ha
few sites ready for immediate use for
building houses A larga area amount
9·34 acres has been taken up by the
na and Wesleyan Missions. The Zenana
sion has already constructed a very f
Bungalow.

4. There is an urgent necessity to f
this Extension quickly, as the people
be removed in connection with the
rajendra Technical Institute" can onl
provided for at this Extension, as

other building area is available any-
near

5 The estimate is made up of the following chief items:—

(1) Acquisition of the lands 38 acers, 10 guntas----Rs-

(2) Formation of roads by cutting the ground---Rs.11 (The remains entered 2&5 & 24&26)

(3) Building road tunnels with parapets-------Rs.7,66 (17, 20 & 23 items)

(4) Building drains with machine ground surki mortar concrete of the sections designed----Rs 19, (6 7 8&9 items)

(5) Building silt traps & other works pertaining to (10 & 14) drains-----Rs.2,2

(6) Laying stone-ware pipes with subsidiary works-Rs 1,

(7) Septic tank & a manure pit (15 & 16 items) & Septicizing the sewage (18 & 19 items) Rs

(8) Minor sanitary works, such as latrines, dust-bins, &c. (21&22 items) Rs

s

Adding the usual contingencies at 5 per cent.----------Rs 2,

The grand total amount of the estimate works up to----------Rs.54 for which sanction is now solicited.

6. In the current years sanctioned budget there is a provision of Rs 11, under item No·11. During past official year towards the sanctioned budgetted amount of Rs·3,000/- an expenditure of Rs 2200/- was incurred. In all up to

of the City in the construction of dra and ~~other~~ works relating thereto, and not appear to require a report on the m nor details of the important major heads noted in para 5

8 The Budi Budike block shown the tracing, was opened out as supplemen to No I Drainage Area estimate sanction by Government though provision for the quisition of the area is now inserted the accompanying estimate

9 It is proposed to take up blo after block for building drains &c., as necessity arises, no sooner the sites allotted, as only a small provision co be made in the current year's budget t wards this project, meeting the requir of other sanctioned projects This Exten sion is becoming attractive to people, the grounds are breezy and elevated, an water facilities are sanctioned by the laying of a new pipe line direct from Service Reservoir at an estimated out of Rs 12000/- The new Hospital under struction by the Wesleyan Mission, and Bungalows being erected by the Zenana sion and the Wesleyan Mission add fur attraction to the Extension.

An early sanction to the est mate will enable the expenditure of Rs 5,186/- incurred up to date to be bited under proper items of the estima covering it by a sanction
